ANOTHER INSTANTANEOUS SUCCESS

"SINCE YOU CALLED ME SWEETHEART"

Read This--It's Interesting

THERE seems to be some sort of magic charm about the song "LET ME CALL YOU SWEETHEART," for it has actually established two conditions hitherto unknown in the music world. In the first place "Let Me Call You Sweetheart" is the first and only song that has ever "come back" into a second wave of popularity. It was one of the big song hits of 1911 and is now once again the biggest selling popular song on the market.

This fact has caused two of the best known popular song writers to write an "answer song" entitled "SINCE YOU CALLED ME SWEETHEART." Here is where the second unheard of condition comes in for while every previous "answer song" written in the past twenty-five years has fallen flat and been a failure this new "answer song," "SINCE YOU CALLED ME SWEETHEART," has met with instantaneous success and now looks as if it were going to equal the success of the original song. Perhaps it is the beautiful simplicity of these two melodies coupled with the clean wholesome words that has made both of these two songs such big successes.

If you have a copy of or know "Let Me Call You Sweetheart" we know you'll want this "answer song." Try over the lines below and then see that you get a complete copy the next time you are near a music counter.
